The Dental Advisor: Awards **Dental Enhancements** OSHA & HIPAA Training Solutions Choice of 2019

The Dental Advisor's editorial board and evaluating consultants nationwide completed their voting for the 2019 dental product awards. **Dental Enhancements LLC, ALL-IN-ONE DLX FEDERAL OSHA/GHS & HIPAA Training & Compliance Package** was voted unanimously the recipient of the "Top Team Training Program" award for 2019.

Dental Enhancements LLC, OSHA made EASY® & HIPAA made EASY® brand of compliance solutions have been gaining national appeal for their ease-of-use, comprehensive approach and specific "dental office turn-key" design.

The **ALL-IN-ONE FEDERAL OSHA/GHS & HIPAA Training & Compliance Package** was evaluated by (13) TDA Consultants, securing a 98% clinical rating and earning a 5-Star final score unanimously among evaluators! High ratings prevailed because it provides comprehensive compliance guidance in the (3) Federal Mandates currently required for the dental office setting. The Dental Advisor evaluators also commented:

“The materials in the **ALL-IN-ONE DLX Federal Compliance Package** were well organized in binders that kept required paperwork in one place. It made it so Easy. Webinar and phone consult time was very helpful, but there were not limits if additional time was needed.”

100% of evaluators at [The Dental Advisor](#) said they would "switch to" or recommend this compliance solution.

The **ALL-IN-ONE DLX FEDERAL OSHA/GHS & HIPAA Training & Compliance Package** is a comprehensive program providing everything necessary to comply with Annual OSHA Employee Training & Certification, Global Harmonization System (GHS) requirements and HIPAA Omnibus Rule compliance. This is a concise compliance solution that is well-organized and customized for each dental office! It includes:

- ✓ A 90-minute private webinar / Certification in OSHA GHS & HIPAA
- ✓ Portal access to back-up training videos , required eForms & reports
- ✓ A 3-hour phone consult to navigate manuals and forms
- ✓ 100-Point OSHA Safety Facility Reports are customized (with answers) and sent to the dental office via email
- ✓ HIPAA Required Risk Assessment Report Template with guided-help
- ✓ 1-year of OSHA/HIPAA Expert-On-Call Support—24/7.

OSHA & HIPAA compliance continues to get more complex and complicated. **Dental Enhancements LLC ALL-IN-ONE FEDERAL OSHA/GHS & HIPAA/Omnibus Rules Training & Compliance Package** is a clear winner!
