# TEXAS HB 300 HIPAA REQUIREMENTS

All Texas dental offices are required to abide by the **Texas HIPAA HB 300 requirements** since **September 2012**. Governor Rick Perry imposed stricter protection of patient health information, quicker delivery of health records when requested and greater fines for non-compliance.

Even if you have completed **Texas HB 300 requirements** with your team, check again! The mandate has a **2-year renewal** and update policy for all employees. **Don't risk fines and the intrusive disruption that an inspection can provoke.**

This comprehensive Do-it-Yourself **TEXAS HB 300 COMPLIANCE PKG** has everything you need to get your team completely HB300 compliant in less than an hour. Includes a 45-minute Employee Certification Video, Employee HB300 Worksheet Certificates, HI-TECH Policy Packet adopted for Texas Dental Office and HB300 Expert-on-Call Support. **What you waitin' for? Get er done!**
