

HOW TO USE THIS OSHA & HIPAA PITCH KIT

Hello Benco TRs & ESs:

Thanks for requesting our newest OSHA / HIPAA Territory Pitch Kit. The Dental Enhancements' Compliance Team is here, to champion your success in bringing our OSHA & HIPAA Solutions to your dental customers! Our Post-COVID Compliance Solutions are new, improved & power-packed with updated accuracy!

**ENCLOSED PLEASE FIND OUR NEWEST FLYERS WITH
NEW ALL-INCLUSIVE & INDIVIDUAL PRODUCT OFFERINGS**

**WE ARE HAPPY TO INTRODUCE OUR NEW
INDIVIDUAL COMPLIANCE MODULE BRAND:
DENTAL COMPLIANCE IN-A-BOX**

OSHA & HIPAA updates are essential to safely practicing in this new era of dentistry. And all USA dental teams need to implement these essential COVID updates!

Please look through our flyers and see which resonate with you. You may want to open your OSHA & HIPAA client conversations by using our OSHA & HIPAA COMPLIANCE ASSESSMENT TEST. It's a great way to get your customers engaged, enlightened & enrolled in these updates.

Next submit your qualified leads in Benco's CRM from the Success Partners Ribbon--- you will see Dental Enhancements listed. If you need additional guidance with launching your OSHA & HIPAA campaign within your territory, we are happy to provide 1-on-1 mentoring to champion your success! Please give us a call anytime – We are happy to help!
